

THE

CAREERS WEEK

On Monday 29th October - Friday 2nd November 2018 parents and other professionals came into our school and told the children all about their careers. During the week, we met firefighters, police officers, an animal physiotherapist and so many more! Miss Hipkin and Mrs Leggett were in charge of organising careers week.

We have been round the school and interviewed some staff members and asked them all the same question: what did you want to be when you're older? There were some surprises, but most of them fitted their personalities and hobbies. We found that some of the things they said about what they wanted to be was the complete opposite of working in a school, for example Mr Horton wanted to be a helicopter pilot, Mrs Laslett and Mrs Pyle wanted to be air hostesses, and Mr Taylor wanted to be an archaeologist. Whereas some people wanted to be teachers, like Miss Parkinson, Miss Poulter and Mrs Bushell.

Mrs Read wanted to be an accountant and later in life, a company treasurer before becoming a teaching assistant. Mrs Layton-Matthews wanted to be a game ranger, but when she was 13 she stopped and taught her friends with a blackboard in her treehouse, training to be a teacher. Mr Methven wanted to be a footballer, and he was for a while, until he broke his knee and couldn't play anymore, however, he was also a PE teacher. There were also three hopeful ballerinas, Miss McAllister, Mrs Fish and Miss Horner. As well as this, Mrs Johnson wanted to be a professional singer and Miss Hipkin wanted to be an actress.

Our receptionists, Mrs Ahmed and Mrs Owls wanted to work in health; Mrs Ahmed wanted to be a dentist, while Mrs Owls wanted to be a nurse. Mrs Brown-Nicholson wanted to be a scientist.

Some people have forgotten what they wanted to be after working in schools for years!

There are loads more teachers and staff in Owlsmoor Primary school, but we didn't have a chance to interview them all, and if we had, there wouldn't have been enough room to fit everyone's views on this page!

Firework Night!

On the 10th November, the PTA held the best firework night ever and it will go down in history! So many people came and watched it, it was awesome! We sold loads of delicious hotdogs and drinks. The fireworks were amazing! If you didn't come, you missed out!

Green Team

This term, Green Team has been focusing on three main things: recycling, the flower boxes and the outdoor areas.

In September we conducted a bin survey and each Green Team member designed a poster for their classroom which will tell their classmates what to put in each bin. We also noticed that many of the flower boxes around the middle playground were either empty or the plants inside them had not survived the hot, dry weather over the summer. We have now added new flowers to most of these boxes as well as some bulbs which will start to grow later on in the year.

Our main focus so far this year has been the outdoor classroom, in the top right hand corner of the field. In our meetings, we have been working to make sure it is ready to be used later in the year when the weather improves and teachers want to take their classes out there. We have removed any litter from the area and are hoping to clean some of the display boards and equipment boxes next term. Also, we have been attempting to encourage more wildlife to live in the area by putting up bird feeders and building a bird box. Although we may have to look into getting some squirrel proof bird feeders!

COMPETITION

Sign up for our competitions.
Who can draw the best cake?
Are you good enough to do this?
No one knows.
You can win an apron! Wow!
You have all the half term.
Good Luck!

COMPETITION Time

Is you think you could win drawing
the best cake then this is your
competition. Now Join!

Over the half term you want
to start you can it is really
awesome and free you draw
a cake that you think is the
best. So get going!

Good Luck!

The winner wins.....
an APRON!

COMPETITION

Sign up for our competition
Who can draw the best
cake? Are you good enough to
do this? No one knows.
You can win an apron!
Wow! You have all the
half term
Good Luck

Book review

Name of book: Diary of a Wimpy Kid

Author: Jeff Kinney

Best age (we think): 6+

About the book: Diary of a wimpy kid is funny and entertaining. These books are about Greg and his family and there are lots of different books to read. Sometimes at the end of the books, there are fun activities to do. The book we read is the first in the series, about Greg starting school and how he wants to go home. He talks about his friends, his teachers and what he gets up to during each school day!

This is the type of book you could sit down and read all day, and still not be bored of it!
