Dear parents,

Over the past year we, at Owlsmoor Primary school, have been working to establish and develop our offer of therapeutic interventions. These Therapeutic Interventions are targeted, pupil-centred support for those who may be struggling with aspects of their emotional regulation and self-worth. The aim is to remove barriers to learning and develop the pupil holistically.

We are thrilled to share our therapeutic offer for 2023-24 with you:

- Emotional Literacy Support and Nurture Assistance
- 4-Legged Therapy (outside provider)
- Outside Enrichment
- Lego therapy
- Art Group
- Sports Groups
- Create Hope (limited number of places with play therapists)
- 'The Nest' lunchtime club

We offer these interventions to pupils on a need led basis using a range of factors to identify those who may benefit. If you feel your child would benefit from any of these interventions, please speak to your child's class teacher or a member of the Inclusion Team (Mrs Sneddon, Miss Barton, Mrs Shepherd, Mrs Jones).

If you **DO NOT** want your child to participate in one or all of these interventions please let us know in writing so that we can make a note of this.

Kind regards,

A handwritten signature in black ink, which appears to read 'B Sneddon'. The signature is written in a cursive, flowing style.
