Reading

- Should aim to read EVERYDAY where possible (4x a week).
- All entries written in the Reading Record with a date and an adult's signature.
- Do not have to read directly to you. But please check that your child understands what they have read.
- ANY reading counts! It is not just their school reading book they can read.
- Reading Records will be checked by Teachers or TAs during the week.

Homework

- Choose from a grid of 9 different activities over a range of subjects.
- A minimum of 6 out of 9 tasks to be completed over the course of the half term.
- One task will be a compulsory reading comprehension set by the teacher.
- Children can select the other activities they wish to do and how they wish to complete them.
- E.g. Write a short poem about a rainforest animal:
Read a poem aloud and record it, write it on paper, find a picture and write the poem around the animal.
- Spellings are taught IN school - no spellings going home.
- Reading does NOT count as homework.

Helpers

We are always looking for parent helpers with projects:

- Art & DT Projects e.g. sewing, building
- Reading - listen to reading in school

MUST be DBS checked before we can allow you into class - please speak to the school office for more information.

(This is a legal requirement to safeguard all children within the school)

Thank you for your time!

Any questions?
