

16th September 2016

Dear Parents,

This term we will be observing the children while they play to find out more about their interests and how they are progressing.

We value the knowledge and understanding you have of your child and would really appreciate it if you would share this with us so that together we can plan activities to meet your child's needs. This will help us plan for their future learning and development.

Is there anything significant happening in your child's life at the moment or this term e.g. visits, holidays, new pets, family celebrations? Is there anything you would like to tell us about your child?

Do you have anything you would like to ask us about your child's progress and development?

I look forward to working with you all closely this year.

Thank you for your continued support

Kind regards
Miss Morgan
Nursery Teacher
