SINGLE EQUALITY PLAN

This Single Equality Plan demonstrates the schools commitment to the United Nations Convention on the Rights of the Child (1989) Article 2 (without discrimination) and Article 23 (children with disability).

The Governing Body of Owlsmoor Primary School is pleased to publish its Single Equality Plan. In developing the Plan we have been able to identify and record the progress we have made towards achieving equality and tackling discrimination and come to a better understanding of the challenges still to be addressed. We will ensure that this Single Equality Plan is effectively implemented and scrutinised so that we meet the obligations placed upon us by the Equality Duty. Promoting the priorities identified within our Single Equality Plan will be a continuous process, involving collaboration with a range of members from our school community.

The Public Sector Equality Duty 2011 has three aims under the general duty for Schools, as referenced in the Equality Act 2010:

- 1. Eliminate unlawful discrimination, harassment and victimisation and other conduct prohibited by the Act:** Schools must demonstrate an awareness of the requirements of the Act and show evidence of this through the review and update of relevant policies (e.g. behaviour policy, anti-bullying policy, racial equality policy) expressly noting the importance of avoiding discrimination and other prohibited conduct.
- 2. Advancing equality of opportunity between people who share protected characteristics¹ and people who do not share it:** by removing or minimising disadvantages suffered by people due to their protected characteristics; taking steps to meet the particular needs of people who have a particular characteristic; and encouraging people who have a particular characteristic to participate fully in any activities.
- 3. Fostering good relations across all characteristics – between people who share a protected characteristic and people who do not share it:** Ensure that the curriculum, school ethos and extra-curricular opportunities promote tolerance and friendship and an understanding of a range of religions or cultures.

To ensure that our school meets the obligations under the Public Sector Equality Duty we are required to comply with the following specific duties:-

- **To publish information to demonstrate how we are complying with the Public Sector Equality Duty, and**
- **Prepare and publish equality objectives.**

Our School has considered how well we currently achieve the three main aims with regard to the protected equality groups.

¹ See Appendix C for protected characteristics

SINGLE EQUALITY PLAN

In compiling this equality information we have:

- Reviewed the schools equality policies and procedures, identifying areas for development.
- Examined how our school engages with the protected groups, identifying where practice could be improved.

Our Equality Objectives can be found in our Single Equality Plan at Appendix A. These objectives have been identified from a range of evidence available in school, including policies and procedures. In line with legislative requirements, we will review progress against the objectives within our Single Equality Plan annually and publish the entire plan and accompanying action plan on a four year cycle.

The roles and responsibilities related to the plan are included in Appendix B.
